LOVE, THE ANGELS

The Angels® are best known as the Girl Group with such chart-topping hits as 'Til, I Adore Him, Thank You And Goodnight, Wow Wow Wee, Cry Baby Cry and their multi-million selling #1 gold record **My Boyfriend's Back**, which spans generations. All three original members, sisters Barbara "Bibs" Brown and Jiggs Sirico, together with Peggy Santiglia Davison perform on the brand new album **Love, The Angels** and are proud to introduce their newest Angel, Karalyn Hugo, daughter of Jiggs Sirico.

Love, The Angels features a few familiar classics brought up to date with the new versions of **My Boyfriend's Back '08** and the dance version of **'Til '83** by famed producer Billy Terrell. But it is in the new songs that the true talent and unique sound of these Angels come to light. From the intensity of the romantic ballad **It Was You**, with rich harmonies and lead by Peggy Davison, to a pop song with a great hook, **Caught in the Crossfire**, about betrayal and entrapment. With a nod to their Jersey roots, The Angels® present a funkified update to The Four Seasons hit **Beggin'** which was originally co-written by Angel Peggy Davison together with the legendary Bob Gaudio of The Four Seasons. This song has won many new fans with its recent appearance in the Tony award-winning international hit show Jersey Boys. **Love, The Angels** features superb guitar solos by Stan Sirico, co-producer of the CD along with Bibs Brown.
